

RHTYHM OF LOVE

Música: Laura Finocchiaro

Letra: Suzy Capó

inspirada à em Lory F. ...

loosen up

feeling good

loosen up

I'm in love with you

la lai lai lai lai loi laila

la lai lai lai lai loi laila

who tells what's right

who knows what's wrong

I know you've got to live to the rhythm of love

that's got to be the way

that's got to be the clue

to live this live in heaven

be happy and be true you've got to live to the rhythm of love

dance to the rhythm of love

give to the rhythm of love

move to the rhythm of love ...
